What You Can Expect

You can hop on and off the tour as many times as you like aboard the open-top double-decker bus. In the summer, the top deck is open and in the winter, clear screens shelter you from the cold and offer unobstructed views of the city.

The duration of the tour loop is approximately 2 hours across 13 stops and you have plenty of time to explore San Francisco at your leisure. If you miss something on your first loop of the city, simply re-board the bus and go around again!

SAN FRANCISCO CITY LOOP
