READ THIS: Entries will be accepted beginning April 1, 2016. Any entry received before this date will not be accepted. NO EXCEPTIONS. NO POST ENTRIES ACCEPTED THE DAY OF THE RIDE! The Forest Service has mandated the rider limit at 500 riders, and we must abide by this limit. Once our rider limit is met, we will be sending all other entries back. Due to the strict Forest Service laws and because our ride is threatened, **EVERY BIKE** must meet the **96dB noise regulation**, must have a U.S. Forest Service-approved spark arrestor, and must be **LEGALLY licensed and equipped for street use**. NOTE: If you bring your non-street legal motocross bike with your wife's license plate zip tied to your back fender, you will not be able to participate in our ride! (This is for the good of our sport, to ensure the continuation of this ride, to prevent your bike from being impounded, and to keep you from seeing the inside of the county pokey.) Your bike must be able to go a minimum of 100 miles between fuel stops and be in sound mechanical condition sufficient for three hundred miles of trails, dirt roads and pavement. Roll charts and a rider map will be provided to you at sign-in only after you pass the tech and sound inspection. You will need a Jart-style roll chart holder (available for purchase at the event). Please do not try to do the ride without a roll-chart holder; all of the route information and instructions will be on the roll chart.
